TOUCHPOINTS

INDIVIDUAL LEVEL TRAINING

April 5, 12 and 19
8 a.m. to 4 p.m.

What is Touchpoints?

Designed by Dr. Barry Brazelton from Boston Children's Hospital/Harvard Medical School, Touchpoints is a family and child centered approach to increase vital connections between children, families, and professionals. Working together with families, providers and communities, the Brazelton Touchpoints Center develops and applies knowledge of early childhood development to practice and policy through professional and organizational development, evaluation, advocacy and awareness and serving as a resource for proven practices.
