

27th Annual Elizabeth Lockwood Wheeler Lecture

Monday ~ March 18, 2019 ~ 7-8 PM

The Dow Chemical Company Foundation Auditorium
at the CMU College of Medicine

Adverse Community Experiences and Resilience (ACE/R): A Framework for Addressing and Preventing Community Trauma

Keynote Speaker:

Ruben Cantu

*Program Manager of Prevention Institute's
Safety and Wellbeing Team*

Presentation Description:

Ruben Cantu will share the Adverse Community Experiences and Resilience framework, discuss the importance of multisector collaboration in preventing and addressing community trauma, and explore emerging strategies to change environmental factors that contribute to trauma and promote resilience.
