secretary, Ms. Gates, works.

2

Our school has a main entrance. It is important to be at school every day, because *Young 5s* matters!

3

Our school has bathrooms. Students "flush, wash, and leave!"

4

You will have your own cubby in your classroom. This is where you will keep your coat and book bag while you are at school.

Our school has a cafeteria where you will eat with your class.

This is the playground. We have a playground, because *Young 5s matters!*

Our school has a maker space! It is an exciting part of our school experience!

You will spend time in your classroom, because *Young 5s matters!* You will have access to many learning tools.

This is the school gym where you will keep your body healthy by playing fun games.

This is the school art room where you will make creative projects.

Each classroom has its own library where you will be able to enjoy books. You will spend time reading and learning because **Young 5s matters!**

We have areas at our school for buses to drop off and pick up as well as areas for parents to drop off and pick up.

Many teachers and school staff members will be ready to help you find your classroom, your bus or family car, and other important areas of the school. **You matter! Young 5s matters!**
