

Bullock Creek Elementary School Welcomes You to Kindergarten!

We are excited to have you at Bullock Creek Elementary School where ***Kindergarten matters!*** It's a great day to be a Lancer!

A book to help your transition into Kindergarten be a smooth one!

Welcome to Bullock Creek Elementary, where ***Kindergarten matters!*** There are many important places in our school.

If you are dropped you off in the morning, Ms. Lori will greet you at drop off. If you get picked up at the end of the day, you will meet your caregiver in the cafeteria.

If a bus drops you off in the morning, it will park in the front of the school. You will walk in the front doors to get into school. If you ride the bus home, your bus will be parked back out front each day. An adult will help you find your bus at the end of the day.

The front office is where the school administrative assistant and Mr. Tomko, the Principal, work.

Some Kindergarten classrooms have their own bathroom. There are also six other bathrooms throughout the building. Kindergarteners “flush, wash, and leave!”

Mrs. Fisher works in our school and in the Responsible Thinking Center (RTC) room. She is here to be our friend, help us learn, and make good choices, because ***Kindergarten matters.***

Kindergarteners go to the Library to learn library skills, and the Computer Lab to learn how to navigate ChromeBooks safely at school. Mrs. Walters will help you learn all these new skills, because ***Kindergarten matters.***

You will have your own hook at school, because ***Kindergarten matters.*** Your hook will be in the hallway outside of your classroom, and you will keep your coat, outside gear, and backpack here while you are at school.

This is the cafeteria where you will eat breakfast and lunch with your Kindergarten class, because ***Kindergarten matters***. Ms. Kendra serves breakfast and lunch with a smile every day.

Bullock Creek Elementary is proud to be a nature-based school. Kindergarteners get to play and learn outside every day during Nature Time and Recess, because ***Kindergarten matters***. We hike and have group time outside. We also have friends and teachers from the Chippewa Nature Center who come explore and teach us too.

This is the playground. Kindergarteners get to play and learn outside every day, because ***Kindergarten matters***. Your teacher or other familiar adults will be outside to make sure you are safe and having fun.

Mrs. Paris is the speech teacher here at Bullock Creek Elementary. You might see her visiting your Kindergarten classroom, because ***Kindergarten matters***.

Mrs. Griggs teaches Music class. You will have fun singing, dancing, playing instruments and learning all about music with her, because ***Kindergarten matters.***

This is the school gym where you will keep your body healthy by playing fun games. Ms. Evans will teach your Gym class, because ***Kindergarten matters.***
